

At the June 18 worship service, we said farewell to the Robbins family. They are moving to Battle Ground, IN, near Lafayette, due to Wayne's work. We will miss seeing them but hope they visit often.

Soup's On Looking to Add to Their "Library"

Our Soup's On program has a small bookshelf in the dining room to provide our guests with reading material while they wait for their meal and/or to take with them when they leave. We are looking for donations for this "library": informational, inspirational, humorous, classics, etc. We also would like to have books for the children of the families that come. Any books that you might have to contribute may be dropped off at the church office and marked Soup's On, attn. Barb Tegarden. Thank you!

Baptism of Kessler Michele Hawkins

On June 4, Kessler Michele Hawkins was baptized. She is the daughter of Candyce Hawkins, longtime Roberts Park member. Also in attendance were Kessler's grandparents Rita and John Offett and Lucy Hawkins, and godparents Jennifer Buchanon and Donald Eldridge.

Holy Land Journey with the Bishop

Join Bishop Trimble and First Lady Raceelder GGrandberry-Trimble invite lay and clergy to join them for the Indiana Annual Conference Holy Land Journey, January 29 to February 7, 2018. This will be an opportunity to visit the historical sites of Biblical times. He describes this opportunity as "life-changing and brings new depth of meaning to the biblical witness". For questions and further details, contact Rev. Norm Nellis, Trip Coordinator, at 705-491-5011 or travelwithnorm@gmail.com.

School Supplies for Vida Nuevo

Our missions emphasis for the months of June and July is devoted to helping provide school supplies and uniforms for school children from Vida Nueva Hispanic Ministries. Vida Nueva Ministries is a mission congregation on the Westside of Indianapolis, in partnership with Metro Ministries, ministering to immigrant families in the surrounding Hispanic community.

We have been provided information on supplies needed and uniform sizes/colors for specific children who

have signed up for the program. This information is available on the center table in Fellowship Hall. Please review this information and sign up to provide school supplies, a uniform shirt, uniform pants, or any combination of these for the child of your choice. Our Loose Change and Missions offerings for June and July will also be used to help with this program. Please contact Dick Smith in the church office if you have any questions (317-635-1636).
