

New Website Unveiled

Roberts Park has a new website, which you may now visit at robertsparkumc.org. The domain name has not changed.

The site is intended for all members and friends of RP as well as others wanting to know more about the church. Everyone can look to the site to see all upcoming events on the church calendar, including task force meetings, clubs, worship services and special events. If you are not able to attend Sunday worship, you can listen to the sermon at your convenience. Some of the features you will see:

- Near the top of the home page, people will see the worship times prominently displayed.
- Descriptions of services – weekly and special
- Who We Are and What We Believe

- The Pastor's Midweek Missives
- The Window newsletter
- Timely and important information and news
- Wedding information
- 'Giving' information and link to PayPal
- Daycare information and link to PayPal for payments
- email contact forms for connecting with the church office, daycare, pastors, and Soup's On
- Descriptions of all possible ways to become involved in the church and it's ministries

We encourage everyone to go to the site, look it over and let us know of any feedback you might have to make it a more useful tool of the church.

Welcome Brett, Mike and Tonia

Brett and Mike Hulse to Lead Soup's On

Roberts Park United Methodist Church is pleased to announce that Brett and Mike Hulse have agreed to join together to direct our Soup's On ministry. Soup's On is a

ministry that provides approximately 250 meals each Sunday to our guests and neighbors. With the help of many congregations and groups from Marion County and the surrounding area, volunteers gather each week to prepare and

serve meals to those who are homeless and those for whom food-insecurity is an on-going issue. Brett and his wife Karissa have served as Soup's On hosts for several years. Just recently, Brett's father Mike Hulse joined the team to give Karissa time away as they await the birth of their second child. We are pleased that Brett and Mike are able to share the responsibilities required to lead this ministry. Please join us in welcoming them to the staff at Roberts Park UMC.

Tonia Haines is Our New Shalom Daycare Manager

We are excited to welcome Tonia Haines to Shalom Daycare. Tonia started Monday, August 21 as our Daycare Manager.

Tonia graduated in 2006 from Ball State University with a degree in early childhood education. Since then, she has worked in child-care as a teacher and in various management

roles. She has a passion for the teaching of young children.

She lives in Greenfield with her husband Brandon, step-son Blake, 3 dogs and 3 cats. They also foster animals. Tonia's family enjoys visiting and hiking at state parks and trying new places to eat.
